

THE OHIO GLASS MUSEUM

124 West Main Street, Lancaster, Ohio 740-687-0101

HOT GLASS CLASSES AT THE OHIO GLASS MUSEUM

With glass blower Mike Stepanski

All glass must be annealed and will not be ready to take home until the next day.

In case you can't come back we can ship it to you for our shipping cost.

All participants will be required to sign a release form. Contact The Ohio Glass Museum to schedule classes 740-687-0101.

ONE DAY CLASSES:

Blown Glass Ornaments

Pick the colors you want to apply to the glass and with the help of our instructor you will see the piece take shape as you add the air to inflate your very own ornament. A glass hook will be added and the ornament will be annealed and ready the next day.

\$22 per ornament for members \$25 per ornament non-members

Blown Glass Witches Ball

Similar to our blown ornaments but these orbs will have an interior design of glass strings that was believed in some cultures to entice and trap evil spirits. They were hung in the windows of homes for protection.

\$22 per orb for members \$25 per ornament non-members

Blown Glass Pumpkin

Pick the colors you want to apply to the glass and with the help of our instructor you will see how the piece is shaped up into a pumpkin. After a stem is put on top the pumpkin will be annealed and ready the next day

\$45 per pumpkin for members \$50 per pumpkin non-members

“Pulled” Glass Flower

With our instructors guidance you will pick the colors to be applied to the glass and use glass working tools to shape the glass into a flower including the pulling of the stem.

\$45 per flower for members \$50 per flower for non-members

Glass Paperweight

Gather molten glass from the furnace, apply colors and shape using glass working tools to make your one of a kind masterpiece. Our instructor will guide you through.

These will be annealed and then will have the bottoms ground when cool.

\$60 per paperweight for members \$65 per paperweight for non-members

Glass Heart Paperweight

Like our regular paperweight class except you will use glass tools to shape and sculpt the paperweight into the shape of a heart.

\$55 per heart paperweight for members \$60 per heart paperweight for non-members

Glass Pumpkin Paperweight

You will be guided through the process of making a paperweight but will give the piece its pumpkin look by pressing it into an optic mold. The piece will be topped off with a unique stem to give it that one of a kind look.

\$55 per pumpkin paperweight for members \$60 per pumpkin paperweight for non-members

Blown Glass Vessel-Taste of Glassblowing

This class gives you a little look at glassblowing. You will learn about the studio equipment, tools and safety in the studio. The instructor will demonstrate the process you will be going through and then with the instructors detailed guidance you will use a variety of glass working tools to gather molten glass from the furnace, shape the glass and blow air into the glass to create your very own blown glass masterpiece.

\$90 for members \$100 for non-members

MULTI WEEK GLASS BLOWING CLASSES

Glass Blowing I & II

Glass I

A four week course, meeting one day/night a week for four consecutive weeks. Students will learn safety in the studio, the use of the equipment and tools, gathering molten glass from the furnace and the basic techniques necessary to make simple blown forms.

\$275 for members \$300 for non-members

Glass II

A four week course, meeting one day/night a week for four consecutive weeks. A continuation of the skills the student learned in Glass I. This class further develops the student's fundamentals of glass blowing while incorporating new tools and techniques including the application of color glass. Glass I required.

\$275 for members \$300 for non-members

We are also available to offer Glass III, Glass IV if there is a demand

Cost to be determined based on class activity

PRIVATE INSTRUCTION AND TUTORING IS AVAILABLE

We are open to your ideas. If you are interested in learning something, having a private class, a group class, a team building exercise or just about whatever you can think up, if it's possible we will make it happen. Cost to be determined based on class activity
